Billy Heatherly Post 237 Commander **Commander's Corner**

As the times are hard with the Covid 19 Pandemic, I do hope that all is well with you and your families of the Post 237 Legionnaires, Auxiliary, and Sons alike. The Post home and Club are getting into shape with all the cleaning and sanitizing. Appreciation to the hard work that the 3rd Vice and Club staff have put forth for the day that we would reopen to continue the fellowship the Post has to offer. Due to the recent Governor's response to the pandemic, as the Post, Club, and Bingo Annex facility, would be classified as "Non-Essential", the Post and Club activities will remain closed till the 17th of April 2020. We as officers of the Post are still monitoring the situation as it progresses.

In the light of the situation, meetings concerns. All committees such as Executive, House, Finance, Wargo and any others not mention, should try to carry on their meetings thru either phone, text, or emails to keep the main Post functions going, as live meetings are cancelled. Nominations committees would still be able to do some type of work and will receive an extension as if the General membership meeting may or may not happen. Nominations for officers will be held during the month of May this year instead of April. Elections will not be performed in the month of May, but rather will be pushed to the month of June along with swearing in of officers to happen in June as well at that regularly schedule General membership meeting. This will get us back on track for the next Legion year. Be looking for additional information, as it will be Posted to get all of us thru this difficult time.

In the meantime, Buddy check with each other to see if everyone is doing ok. Let my Staff and myself know if there is anything we can do to help. I do hope that you all of the Legion family stay healthy and take care of yourselves and families. I hope to see you all very soon.

A Century of Service

In 2020, Post 237 celebrates our Centennial. We can trace our roots to June 1920, when the Post was activated as the Peter Crump Post. ❖

Dear Legionnaire,

I hope this message finds you, your family and your loved ones safe. As a part of our Legion family, I pray for each of you and your health during these uncertain times.

While we are all following the guidance for physical distancing as recommended, this is NOT the time to be socially disconnected. Many of our members... and perhaps even you... feel anxiety or sadness from being separated from seeing friends, visiting your Post, or perhaps even getting to see your loved ones.

There is something we can do about it. Take five minutes today to call a buddy. Take five minutes and reach out to another Veteran. It's not much time, but it will make a world of difference to another person who needs us.

May I ask you one other favor? Please post the [linked image](#) to your Facebook page if you have one. If you don't, encourage a family member to post it on your behalf. If you don't want to download the image here, simply go to our Department Facebook page and share the Facebook post to your page.

It's too easy right now for the people who truly need a little support to be forgotten beneath the onslaught of messages about the virus.

I thank you in advance. Please, know we are here for you if there is anything you need.

Sincerely,

Ron F. Bradstreet
Commander
The American Legion, Department of Alabama

March

March soldier, March onward,
Listen to the ghosts talking while you march,
They whisper their country's history into your ear
Soldier listen closely and the ghosts of the past,
Will tell you their story of duty, honor, and country;
March onward.

Listen citizen listen,
Why do you not hear our country's pleading call?
Those that believe in the code of God, duty, and
country,
Hear this, every time our country whispers its plea,
Listen citizen listen and maybe you will hear.

March soldier, March onward,
From the fields of Yorktown to the sands of Kuwait,
Our country's call rang out for men strong and true,
Many rushed to fulfill a soldiers' duty that could not
wait,
Death was not on their minds, only our country's
troubled plea.

Listen citizen listen and heed the call,
Only two people have ever willing died for you,
Christ for your soul and the soldier for your freedom,
So, before you lay down this night to sleep,
Pray for that soldier who is willing to die for your
continued freedom.

PRESS RELEASE MARCH 30, 2020

Redstone designates entry lane for beneficiaries seeking COVID-19 tests

REDSTONE ARSENAL – Redstone Arsenal is implementing additional health and safety changes at our gates to protect our community and guards from the spread of COVID-19.

As of Tuesday, March 31, beneficiaries (active duty military, retirees and their dependents) accessing Redstone Arsenal with the intent to be tested for COVID-19 at Fox Army Health Center are being asked to utilize Gate 9 (Rideout Rd.), lane 8 for access.

Guards manning Gate 9, lane 8 may be wearing additional Personal Protective Equipment as they assist beneficiaries with accessing the installation for treatment. The Guard Force on this lane will only process vehicles and occupants through the Access Control Point. They will continue to ask the driver to hold and flip their own access badge to maintain a safe social distance. Guards will not be executing any medical checks at the gates. Redstone is coordinating with leadership across the installation and our local community partners to ensure we provide the most up-to-date information to our workforce.

Redstone Arsenal is continuing to conduct operations at this time, and is assessing adjustments to services based on demand. If the status of the installation changes, we will notify the workforce through direct communication, the Redstone Rocket, Team Redstone social media and websites, the Redstone Explorer App and local media. Employees are encouraged to keep in contact with their direct supervisory chain and leadership for information updates specific to their organization.

For questions regarding Redstone Arsenal, please contact Ms. Julie Frederick, Director, Redstone Garrison Public Affairs, at 256-842-0558 or Julie.a.frederick.civ@mail.mil.

BACK TO BACK

John Carson

*Honor Guard member and Photographer and
Communications Committee Chairman*

March 7 and 8 was a busy weekend for the Honor Guard as it was called on to provide military honors to two veterans being laid to rest. On Saturday, March 7th, the Honor Guard van travelled to the Hazel Green Mortuary for a memorial service that included the three volleys signifying Duty, Honor and Country and the playing of Taps.

On Sunday March 8, the Guard was present at Maple Hill cemetery for a veteran's burial. At both events, Post 237's Honor Guard was assisted by several members of the newly created Honor Guard of Post 229 in Madison, providing a full firing squad for both veterans and their families. While our Post's squad was prepared for the busy weekend, we may have been short of the seven guns most families have come to expect at their loved one's service. Thanks to Post 229 having our backs we were able to provide those numbers. This is what it means to belong to the American Legion; whatever comes our way, we have each other's backs. There are few things as important as family, and the loss of one member is felt by all. This coming Spring brings with its promises of life renewed a new threat we must deal with. →

The Honor Guard and Post 237 and the American Legion stand ready to face the challenges to come. Whatever the future holds, know that we have each other's backs.

Please contact Honor Guard Commander Earl Hokanson at hongrdcdr@legin237.com if you are interested in joining the Honor Guard.

HUMOR IN UNIFORM

Area 51

We have all heard of the ultra-high-security, super-secret Air Force base in Nevada known as Area 51. Late one afternoon, the Air Force folks at Area 51 were very surprised to see a Cessna landing at their "secret" base. They immediately impounded the aircraft and hauled the pilot into an interrogation room. The pilot's story was that he took off from Las Vegas, got lost, and spotted the Base just as he was about to run out of fuel.

The Air Force ran a full FBI background check on the pilot and held him overnight during the investigation. By the next day, they were finally convinced that the pilot really was lost and wasn't a spy. They gassed up his airplane, gave him a terrifying "you-did-not-see-a-base" briefing, complete with threats of spending the rest of his life in prison. Then they told him Vegas was that-a-way on such-and-such a heading, and sent him on his way.

The following day, to the total disbelief of the Air Force, the same Cessna showed up again. Once again, the MP's surrounded the plane. Only this time there were two people in the plane. The same pilot jumped out and said, "Do anything you want to me, but my wife is in the plane and you have to tell her where I was last night!"
