### **Billy Heatherly** *Post 237 Commander* **Commander's Corner**

Hello fellow Legionnaires, Auxiliary, and Sons,

The month of June is here and there is a lot of work to be done. This month will be both election and installation of officers at the Post. Voting for officers will be held on our next scheduled meeting day of the 15<sup>th</sup> of June, from 12:00pm to 6:00pm. Nominations were made at our last meeting, so ballots will be made out accordingly. If you wish to become an officer of the Post, and you were not nominated and you have the support, you may become a "write-in" candidate. Installation of the new officers will be done at the June 15th General Membership meeting. Please remember that this information is for the Legionnaires. For the Auxiliary and Sons, please talk to your respective adjutant for your election information.

As a reminder, due to the ease of restrictions and in accordance with the revised "Safer at Home" rules, hours of the Post operations are as follows:

10:00am to 10:00pm - Monday thru Thursday,  
10:00am to 12:00am (midnight) - Friday and Saturday,  
12:00pm (noon) to 9:00pm - Sunday

We are serving lunch at our normal hours of 11:00 am to 1:30pm Monday thru Friday.

We do still ask that you continue to follow the current rules of Social Distancing. If you feel ill or have any effects of COVID-19, or if you have been exposed to anyone showing symptoms, please stay home and get better. We want all of our patrons to come, feeling good, and share the comradery of your Post.

At this time, there will still be no Karaoke or any other venue until we see a change in the "Safer at Home" rules. This does also include any reservations for the Ballroom. It is our hope that we will fully open with all of our normal functions very soon, →

For those who enjoy Bingo, our Bingo hall will be open starting 30 May, 2020. Please note that there will be new rules to be followed at the Bingo Annex to include Social Distancing, wearing of masks, and no smoking.

I thank you all for your continued patience and support of your Post home.

Commander Billy Heatherly

## THE FACES OF LIBERTY

I see old glory in the stone  
Of the soldier still unknown  
And standing by the old oak tree  
I hear his spirit call to me.

It tells me that he's not alone  
He's with the ones  
Now gone home  
The soldiers who have bought our nation  
Now stand with him in formation.

From the freedom fighters on the plains  
To desert storms and jungle rains  
In any time and any place  
Where oppression shows its twisted face.

As I watch the colors stream  
I join them in their common dream  
To live in peace and know no fear  
While keeping safe the ones held dear.

And kneeling on the hallowed ground  
I feel the tears that now abound  
I see them fall on the polished stone  
And realize I'm not alone

To Heaven's border one by one  
They march into the setting sun  
And looking up beyond the tree  
I see the faces of liberty.

John Evan Carson

Memorial Day has past and it got me thinking about how I, as a young boy, remember going to the cemetery each "Decoration Day" and cleaning headstones, pulling weeds, and generally cleaning up around the graves of relatives long since passed. Decoration Day has since become Memorial Day and with the advent of perpetual care, the tradition of visiting the graves of our departed has diminished somewhat but it's nice to see where veterans' gravesites are still decorated with a flag denoting his or her service to our great country. So, what does this have to do with...Finance, nothing really, Just musing of days gone by. Have a great summer!

## Honor Guard News

### BACK IN ACTION

John E. Carson

After months of the lockdown it is good to see Post 237 re-opening and serving lunch. And on less than 24 hour notice your Honor Guard was back in action also. In conjunction with members of Madison Post 229, our Honor Guard gave full military honors to a 77-year-old Army veteran at Maple Hill on Thursday, May 14<sup>th</sup>.

This is an especially important service as the military honor guards are still on lockdown. The service was also attended by members of the Patriot Guard. It was gratifying to see that a piece of the USA was put back in place even if masks were required.

## IN MEMORIAM

John E. Carson

The phrase In Memoriam comes to us from the Latin, In memory of, and literally means remembering or honoring a deceased person. Memorial Day is set aside each year to remember and honor our veterans. Along with the many thousands lost, this year the Honor Guard pays respect to two of its own who have gone on to Post Everlasting.

Commander of the Honor Guard for almost thirty years, Jerry Lankford recruited, led and built the Honor Guard that has served this post for many years. His dedication and friendship are sorely missed. Michael J. Vaccaro, a Twenty-Five-year member of the Honor Guard who served as bugler for many years was laid to rest on Memorial Day in 2019. In 2010 Mike received a letter from George H.W. Bush, the 41<sup>st</sup> president of the United States thanking him for his service and his participation on an Honor Flight from Huntsville, Alabama to Washington D.C. In closing the letter, Mr. Bush says, "This fellow Navy man and former Commander-in-Chief salutes you and thanks you for your service."

Among my prize possessions is a copy of that letter given to me by Colonel Vaccaro. Though Mike and Jerry were both Air Force veterans, Mike had served in the Navy as well.

As of this writing, plans for this year's Memorial Day are as uncertain as the future of our great country that so many gave their lives to build. The war with a new enemy threatens the very core our founding fathers set forth in the Constitution and the Bill of Rights. But we will not go quietly into the night. Every member of this Post knows the importance of remembering not only the many who have died but the ideals and values they served and fought for.

Not long ago, in a different world, your Honor Guard stood on the high ground of Maple Hill cemetery and fired three volleys in honor of the many veterans buried there. Whatever this Memorial Day brings let us remember and reflect on those values and ideals.

*Please contact Honor Guard Commander Earl Hokanson at [hongrdcdr@legion237.com](mailto:hongrdcdr@legion237.com) if you are interested in joining the Honor Guard.*

## Alabama County Veterans Service Offices Reopen

MONTGOMERY, Ala. – The Alabama Department of Veterans Affairs (ADVA) has reopened the department's county-based veterans service offices that were temporarily closed in response to the COVID-19 emergency.

Most county offices are providing services by appointment-only, and because of on-going preventive measures and due to limited space in some offices, walk-in appointments are suspended until further notice. Some veterans service offices are located in county facilities that remain closed to the public; however, a veterans service officer will be available at these facilities to take calls and assist veterans and their dependents. The ADVA and its county offices continue to follow preventive measures such as wearing masks and maintaining social distancing. For in-office appointments, the county offices will follow protocols for protecting both employees and veteran clients.

"Our county veterans service offices offer a vital service to our veterans and their family members, and we're taking necessary steps to reopen the offices to deliver services while following protective measures that are in the best interest of public health and safety," said ADVA Commissioner Kent Davis.

The ADVA operates 51 county veterans service offices, and as part of a 2019 initiative to expand services, the ADVA will open 9 additional county offices in 2020. The department's objective is to have a veterans service office in all 67 counties to serve the state's more than 400,000 veterans.

The county veterans service offices assist veterans and their dependents with compensation and pension claims, educational benefits, VA home loans, and referral services for needs such as temporary housing, healthcare, counseling, and job placement.

A list of ADVA's county-based veterans service offices that have reopened along with instructions for making an appointment is available at [VA.Alabama.gov](http://VA.Alabama.gov).

## Redstone reopens limited services in support of phased employee return

REDSTONE ARSENAL – Redstone Arsenal will reopen select services in support of tenant organizations' phased approach to returning employees to the installation starting Tuesday, May 26.

Redstone Arsenal leadership remain focused on three priorities: safeguard the health, safety and security of the workforce; combat and prevent the spread of COVID-19; and carry on the critical missions of each of our organizations.

Organization leaders will communicate with their workforce on their timelines and approach to returning employees to the installation. The decision to return the workforce will be a progressive and measured process managed by each tenant leader, and based on authoritative data from the Alabama Department of Public Health.

While leadership has determined that the installation and 16-county commuting area surrounding Redstone has met the conditions outlined by the DoD and CDC for an average 14-day decline in new positive cases, the reconstitution of services and return of employees to the Arsenal will be slow and deliberate. Future increases in services will be contingent upon conditions remaining the same or continuing to improve.

Garrison will reopen the following limited services to employees and beneficiaries with social distancing and preventative measures in place:

Installation Access:

- OPEN: Gates 1 (Martin Rd E), 7 (Martin Rd W), 8 (Goss Rd), and 9 (Rideout Rd) will have all lanes manned during peak morning rush hour traffic
- CLOSED: Gates 3 (Redstone Rd) and 10 (Patton Rd) remain closed
  - One Stop: Open with limited occupancy, and some services by appointment only
  - Pershing Welcome Center: Open, most services by appointment only
  - Child Care Centers: Open to returning employees who are present patrons
  - Bicentennial Chapel: Open for individual worship only
  - Fox Army Health Center: Most services are open, entry screenings still occur, cloth face coverings required to enter the facility, refer to Fox website and social media for details
  - Morale, Welfare and Recreation: Golf Course, Flying Club, Auto Skills, Arts and Crafts, Limited Outdoor Recreation activities open
  - Post Restaurants: Open for Carry-out only (JAVA Café, Brooklyn's and Firehouse Pub remain closed)
  - Post Exchange/ Gas Stations: Open, masks required to enter
  - Commissary: Open, Retiree hours and purchase limits remain in effect, mask required to enter

## HUMOR IN UNIFORM

During training exercises, the Lieutenant who was driving down a muddy back road encountered another car stuck in the mud with a red-faced Colonel at the wheel.

"Your car stuck, sir?" asked the Lieutenant as he pulled alongside. "Nope," replied the colonel, coming over and handing him the keys. "Yours is."

The Sergeant-Major growled at the young soldier: "I didn't see you at camouflage training this morning."

"Thank you very much, sir."

The Chief of Staff of the US Air Force decided to personally recruit some pilots and he saw two young twins.

He looked at the first young man and asked: "Son, what skills can you bring to the Air Force?"

The young man looks at him and says: "I'm a pilot!"

The General gets all excited, turns to his aide and says: "Get him in today, all the paper work done, everything, do it!"

The aide hustles the young man off. The General looks at the second young man and asks: "What skills do you bring to the Air Force?"

The young man says: "I chop wood!"

"Son," the general replies: "We don't need wood choppers in the Air Force, what do you know how to do?"

"I chop wood!"

"Young man," huffs the general, "You are not listening to me, we don't need wood choppers, this is the 21st century!"

"Well," the young man says, "You hired my brother!"

"Of course we did," says the general, "He's a pilot!"

The young man rolls his eyes and says: "So what! I have to chop it before he can pile it!"
