Finance Officer Request

Presently we are receiving around one percent or less return on our Post investments.

In the past we have relied upon our basic savings accounts to hold our funds. For the past several years these savings accounts have provided less than optimum return.

The Post needs a group of business/investment savvy members to assist in determining the best investment vehicle for our situation. If you would like to help your Post make investments for the future, please volunteer by lending us your expertise.

The Lord's Prayer

Matthew 6:9-13

9 After this manner therefore pray ye: Our Father which art in heaven, hallowed be thy name.

10 Thy Kingdom come. Thy will be done in earth, as it is in heaven.

11 Give us this day our daily bread.

12 And forgive us our debts, as we forgive our debtors.

13 And lead us not into temptation, but deliver us from evil: For thine is the kingdom, and the power and the glory forever. Amen

Let us examine a bit closer the Lord's Prayer. First of all the very beginning strikes us "Our Father" this expresses a familial relationship with God the Father and therefore is a conversation as open and sincere as one may have with your earthly Father, for the Heavenly Father loves you even more and wants to communicate and have fellowship with you, daily.

"Which art in Heaven" These few words are a validation that we recognize first God as our Father and that his presence is before us as we pray.

"Hallowed be thy name", we honor the Father knowing his name is Holy and set apart from any other name.

"Thy kingdom come, thy will be done" this part of the prayer tells God that we understand that we invite him to come into our lives daily for fellowship and we accept his will for our lives without question.

"On earth as it is in heaven" we ask God to lead us as he will do in eternity today on this earth as it will be in heaven.

"Give us this day our daily bread" a simple prayer of thanksgiving knowing our God, the Father will take care of us and provide us with the spiritual and earthy food we need. This speaks more of the spiritual food we need through daily prayer and Scripture reading. →

"And forgive us our debts" as we come to the Lord daily we want to be spiritually clean asking for his forgiveness even for the smallest sins, understanding a "saved" individual has had all sins forgiven, past, present and future. Our daily confession allows us to exam our hearts every day. "As we forgive our debtors", this is the crucial part of the sentence, because we cannot come before God if we harbor unforgiven sins of others against us. How can we expect God to forgive us if cannot forgive others.

"And lead us not unto temptation but deliver us from evil" We petition God to keep us away from Satan's temptations (we all have them) and to deliver us unto him away from temptation, we are weak and are unable to resist Satan without God's help.

This is the point that some religions stop and do not include the doxology as most protestant religions do. Either way the Lord's Prayer is powerful and puts you in the presence of God for prayer and contemplation and provides God some time with you to influence your heart and provide you with his everlasting love.
God's eternal blessings,

Dennis W. Atkins, Chaplain

HAPPY BIRTHDAY TO THE UNITED STATES NAVY

In an effort to curb British sea control, the Continental Congress established the Continental Navy, which later, on October 13, 1775, became the United States Navy.

The early Continental Navy was designed to work with privateers to wage tactical raids against the transports that supplied British forces in North America. To accomplish this mission the Continental Congress purchased, converted, and constructed a fleet of small ships---frigates, brigs, sloops, and schooners. These Navy ships sailed independently or in pairs, hunting British commerce ships and transports.

Two years after the end of the war, the money poor Congress sold off the last ship of the Continental Navy, the frigate Alliance. But with the expansion of trade and shipping in the 1790s, the possibility of attacks by European powers and pirates increased, and in March 1794 Congress responded by calling for the construction of a half-dozen frigates.

Over the past nearly two and one-half centuries, our Navy has grown to become the largest, most advanced, and most lethal fighting force the world has ever known. In 1972, the Chief of Naval Operations, Admiral Elmo Zumwalt, designated October 13 as the Navy's official birthday, and directed that it be commemorated so as to "enhance the appreciation of our Navy heritage" and reinforce "pride and professionalism in the Navy service." →

Important Firsts in Naval History:

1. First use of submarine: While the Navy's first commissioned designs for a submarine were completed in 1875, it wasn't until 1898 that the first Holland submarine launched successfully.
2. First use of modern battleships: While America had battleships before the 1908 South Carolina class dreadnought, which started with the USS Michigan and was based on British ships, these were the first in the new era of battleships.
3. First use of naval aircraft: In 1911, the U.S. Navy bought its first airplane, the Curtiss A-1 Triad.
4. First aircraft carrier: The first flight from the deck of a U.S. Navy cruiser in 1910 led to the 1927 Lexington-class aircraft carriers, the first operational aircraft carriers in the U.S. Navy.
5. First use of Rigid Hull Inflatable Boat: Introduced in 1992, these rubber boats were originally meant for life boats in the 1960s, but the Navy now uses them for SEALs due to their lightweight, high speed, all-weather specifications.

"A good Navy is not a provocation to war. It is the surest guaranty of peace."---Theodore Roosevelt

"I can imagine no more rewarding a career. And any man who may be asked in this century what he did to make his life worthwhile, I think can respond with a good deal of pride and satisfaction: I served in the United States Navy."---John F. Kennedy.

HUMOR IN UNIFORM

THE MUSICAL GRAVEYARD

Dave Wilson, a tourist in Vienna, is walking past Vienna's Zentralfriedhof graveyard on October 31st. Suddenly he hears some music. No one is around, so he starts searching for the source of the music. Dave finally locates the origin of the music and finds it is coming from a grave with a headstone that reads: Ludwig van Beethoven, 1770-1827. Then he realizes that the music is Beethoven's Ninth Symphony and it is being played backward.

Puzzled, he leaves the graveyard and persuades Bill Smith, a friend, to return to the graveyard with him. By the time they arrive back at Beethoven's grave, the music has changed. This time it is Beethoven's Seventh Symphony, but like the previous symphony, it is being played backward. Curious, the men agree to consult a music scholar.

When they return with the expert, Beethoven's Fifth Symphony is playing, again backward. The expert notices that the symphonies are being played in the reverse order in which they were composed, the 9th, then the 7th, then the 5th.

By the next day word has spread and a large crowd has gathered around the grave. They are all listening to the Second Symphony being played backward. Just then the graveyard's caretaker walks up to the group. Someone in the crowd asks him if he has an explanation for the music. "Oh, its nothing to worry about" says the caretaker. "He is just decomposing."

FORTY & EIGHT FLAG UNVEILING

K. Carpenter, Historian

At the General Membership meeting held on 20 Sept., 2021, members of the Tennessee Valley Voiture 1012 of La Societe des Quarante Homes et Huit Chahvaux (the Society of Forty Men and Eight Horses) unveiled in the Post ballroom, their handsome 1948 vintage framed 5'x6' wool voiture flag. This flag was recovered after forty years. It was found in the Post 237 Annex storage unit by Grand Chef de Gare (commander) John Schnatz, and Voiture 1012 Chef de Gare Billy Heatherly, and others. The preservation, mounting, and framing of this valuable addition to the Post was funded by a sizeable donation from the Post Golf Tournament, and by individual contributions from Cdr. Heatherly and others. Posted above the flag is an identification plaque.

(See Post Newsletter article for 4 Dec., 2020)

Voitures present were Grand Chef de Gare John Schnatz, Voiture 1012 Chef de Gare Billy Heatherley, Ken Weisenwebber, Cody Klinner, Earl Hokansen, and Jerry Phelps.

Family Day at Post 237

K. Carpenter, Historian

On Saturday, 18 Sept., Post 237 hosted **Family Day** for its members, their families and Post guests. This outstanding fun day was led and organized by 3rd V. Cdr. Jerry Phelps. Children fished for toys in the fish pond hosted by 2nd V. Cdr. Tom Paone, his wife Christie, and grandson Jacob. The children also enjoyed the large outdoor bounce house and slide. The neighborhood Huntsville Fire Department provided a fire truck for the children to explore. The Auxiliary held a cake walk for prizes of delicious baked goods. Tom and Thad Paone, of the SAL, grilled their excellent hamburgers and hot dogs for the crowd.

Perhaps the most exciting feature of the day was the Dunk Tank. The intrepid Jerry Phelps mounted the Dunk stand being the first to be dunked by eager ball pitchers. Jerry's dauntless example was followed by several children. Eight-year old Jacob Long was dunked by his own loving grandmother, Deborah Carpenter, on her first pitch. Jacob Paone, other children, and adults soon joined the adventure of being dunked. This event was enjoyed by all.
